Kia ora Koutou

Welcome back to all our RLHS whānau.

As I said in my last newsletter, we have been focusing on our Senior students with the NCEA exams coming up fast and the final opportunity to get internals completed. I hope that many of our senior students used the holidays productively to consolidate their understanding and guarantee success in the upcoming exams. Our staff are doing everything they can to ensure students cover the ground they need to and support them through the stresses of last minute pushes.

We are looking forward to our parent interview evening on Thursday 19 October, from 4 pm to 6 pm. It's a great opportunity to meet the teachers and see how your child is progressing academically. We hope to see you there. (full details on page 2). Reports will be issued early next week.

Term 4 is always a whirlwind of activity with exams, prizegivings, portfolios being finalized and everyone working towards successful academic outcomes.

It is great to see all our students back, refreshed and focused for the term ahead and we look forward to working with them in the fine summer months coming up.

Ngā mihi

Jon Ward, Principal / Tumuaki

PARENT/TEACHER INTERVIEWS

WE ARE PROUD TO SHOWCASE OUR 2023 YOUNG ACHIEVERS

We are very proud to feature our 2023 Young Achievers in our newsletter over the next few weeks.

A huge thank you to Rotorua Trust, Lee-Anne Thompson and Andrew Warner photography for all their hard work in organizing the young achievers event every year.

SAMUEL TRASS (Head Boy)

2023 Rotorua Young Achiever for Leadership, Community & Sport

Samuel has been at Rotorua Lakes High School for almost five years and during this time he has grown both physically and emotionally. He feels very privileged to be Head Boy.

His greatest accomplishments have come from being a competitive swimmer; swimming has changed his life and the way he thinks and he is very thankful to 'Swim Rotorua' and his wonderful parents Jo and Adrian. He has received medals a number of times in different events at the top national level most notably his bronze at NZ Nationals this year in the 50 metres backstroke where he broke the Bay of Plenty Open record. Doing this in this event is a feat that he had dreamed of for most of his swimming career.

Swimming as a sport shaped who he is today inside and outside the pool and he attributes his leadership skills to the dedicated discipline he applied to training every morning and evening.

He hopes he has been a positive role model for young students at the pool because he had awesome role models when he was young and he is grateful for the influence they had on him. One way he has done this is by coaching the U14 and U16 Rotorua teams and all levels of the Lakes water polo teams along with the Mokoia Intermediate team. Doing this was the highlight of his week and he would like to thank all those students in any of his teams for turning up every week with the enthusiasm they showed.

In 2024 he aims to continue his education at Ara Institute of Canterbury and study construction management. He hopes to continue swimming while there.

BAILEE SWINYARD (Head Girl)

2023 Rotorua Young Achiever for Leadership & Community

Bailee Swinyard has had the honour of being Head Girl at Rotorua Lakes High School in 2023, where she is currently completing her final year of secondary school education. She is a first generation New Zealander and the first person in her family to attend high school in New Zealand, and will be the first to attend university in New Zealand. Throughout her time at Rotorua Lakes High School photography has been one of her favourite subjects. It is a creative outlet for her and helps to balance the academic load of high school. Photography is very important to Bailee which is why she chose it to be the focus of her portrait.

Academically, Bailee has endorsed both NCEA level one and two with merit and is currently on track to achieving university entrance through the subjects: Photography, Geography, Biology, Chemistry, Statistics, and Classical Studies.

Bailee's involvement in leadership positions such as Head Girl and environmental captain and Peer Support Leader, has been highly rewarding, and she is grateful for the opportunity to lead with the rest of the prefect body. These positions taught her that you do not necessarily have to be in the spotlight to make change. Sometimes leading by example is enough to influence others to do the same and achieve greatness. This year she and other students at Rotorua Lakes High School planned and executed Youth Week. This event was hosted to encourage rangatahi to get active at school, and participate in fun events with their peers, and was very successful in doing so. While outside school, Bailee has worked in her community teaching younger children how to swim, giving them necessary water skills to keep them safe.

Next year, Bailee intends to study a Bachelor of Science majoring in Ecology and Biodiversity at the University of Victoria. She is passionate about conservation and hopes that this education will lead her to a career in the conservation field. She is eager to travel and learn more about the wider world

STELLA WESTON (Cultural Captain)

2023 Rotorua Young Achiever for Academic and Sporting Achievement.

Stella Weston is a passionate and committed student and has succeeded in many different areas during her time at Rotorua Lakes High School. She has endorsed both NCEA Levels 1 and 2 with excellence and is on track to endorse Level 3 as well. Stella has been a Top Scholar at her schools every year but one since 2016.

Stella excels in writing. She was one of four students nationally to be awarded a 2023 NZ Society of Authors Secondary School Writing Mentorship. She has won multiple national short story competitions, including the Michael King Writers' Centre Signals competition, the Alexander Turnbull Library's Smart Alex competition, and the international NaNoWriMo Novel Excerpt competition, and she placed 3rd in The University of Waikato's Sargeson Competition. She has also written a children's book about mental health for Mike King's I AM HOPE Foundation, which will be donated to schools and organisations around the country. Her writing has been anthologised by Penguin, Toitoi and Write the World.

Stella has published book reviews in The Sapling, fiction in multiple editions of Toitoi, and nonfiction pieces on Write the World, Thrive Global and Parentology. She has read her fiction on the Heihei platform of Radio New Zealand.

In sports, Stella has been a national-level competitive swimmer for over 6 years, representing her swim club and school. She is a trained timekeeper and trainee official, has worked as a swimming instructor, and has volunteered extensively.

At school, Stella is the Cultural Captain, and as part of this role, she works to celebrate diversity and improve student culture as a whole. This involves, along with her role as Prefect, being a support leader of the Rainbow Youth Group, a Peer Support leader, a member of the ball committee, and a co-founder of the arts club.

Next year Stella is planning to study a BSc in Psychology and a BA in PPE (Philosophy, Politics and Economics) at University of Otago.

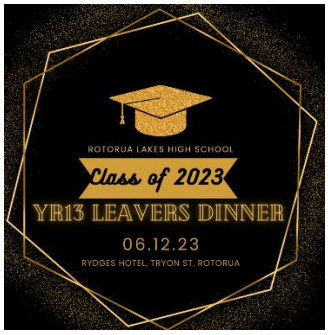
2023 LEAVERS DINNER



Leavers dinner is a semi- formal evening for families to celebrate with the Yr13s as they finish their schooling. This year our Leavers Dinner will be held at Rydges Rotorua on 6th December.

Yr13s have been given a letter with more information and permission slips can be returned when tickets are purchased before the 8th November. Spare letters are available at the school office.

2023 YEAR 10 CAMP

We're very excited to be taking the Yr10s to their end of year camp at Totara Springs from the 29th Nov - 1st Dec.

Deposits need to be paid by this Friday please. There are extra letters at the front office if necessary.

If you are in a position to "pay it forward" and contribute any amount towards another student attending camp please let us know.

We are also looking for a few more parent helpers, if you are available please email Haley Hodge: hodgeh@rotorualakes.school.nz

SPIRIT WEEK 24 – 27 OCTOBER 2023

In week three the Prefect Team have organised Spirit Week. Each day of the week will have a different focus and activities and fun tasks will be available for all students to get involved in. The week will culminate with a House Spirit day (worth points!) so we encourage students to start thinking now about their house coloured costume they'll wear that day. There will be full school assembly on Monday to let students know more detail.

ELECTIVES 2023

On the 30th November and 1st December, the Yr9 students will be able to choose which end of year fun activity they take part in. A letter will go home next week with the options and costs, and student will have until the 3rd Nov to make their choice.

NCEA CHANGES FOR 2024 & 2025

You may know that NCEA is changing. As a student, the main thing you might notice is a stronger focus on Literacy and Numeracy (or te reo Matatini and Pāngarau). You might also notice changes in how you are assessed, with more assessments being done online or submitted to NZQA through our website.

What you need for NCEA in 2024 and 2025:

- 60 credits at the Level (or above) of the qualification you are working towards
- Literacy or Te Reo Matatini – 10 credits from Literacy or Te Reo Matatini standards, or from a list of specified standards in a range of subjects
- numeracy or Pāngarau – 10 credits from Numeracy or Pāngarau standards, or from a list of specified standards in a range of subjects.
- You only need to meet the literacy or te reo matatini and numeracy or pāngarau requirements once, and you do not need to attempt them again for other levels of NCEA. If you haven't quite finished your NCEA at the end of the year you can still start working towards the next level.
- What else is changing
- Schools will use new standards when they develop courses for NCEA Level 1 in 2024, NCEA Level 2 in 2026 and NCEA Level 3 in 2027.
- There will still be exams at the end of the year, but you might also complete external assessments during the year, for example submitting reports, portfolios or kete manarua, or attempting Common Assessment Activities for literacy, numeracy, te reo matatini and pāngarau.More external assessments will be done online or uploaded to NZQA through their website.
- Literacy, numeracy, te reo matatini and pāngarau assessments may be offered at Year 10.

What is staying the same:

- Any credits you have already earned can be used towards the new NCEA.
- You can still use Unit Standards and Achievement Standards towards NCEA.
- Course and certificate endorsement requirements remain the same.
- You can still study at different levels of NCEA in the same year.
- If you met the literacy and numeracy requirements in 2023 or earlier, you do not need to attempt them again.
- There is still no time limit on completing NCEA. If you have part of a qualification, you can return to study at any time

NCEA EXAMS 2023

The 2023 Examination Timetable for current NCEA standards and New Zealand Scholarship will run from:
Monday 6 November to Thursday 20 November 2023

Students can access their personalised timetable through their login on the NZQA site.

www.nzqa.govt.nz

ENROLMENT SCHEME FROM THE BOARD OF TRUSTEES

The board invites applications from caregivers who wish to enrol their children at Rotorua Lakes High School for next year.

Enrolment at the school is governed by an enrolment scheme, details of which are available from the school office.

Enrolment forms are available at the school office or online at www.rotorualakes.school.nz. Parents of students who live within the home zone should apply by Friday 17 November 2023 to assist the school to plan appropriately for next year.

The board has determined that 70 places are likely to be available for out-of-zone students next year. The exact number of places will depend on the number of applications received from students who live within the school's home zone.

For the 2024 school year, there will be four enrolment periods. The first enrolment period runs from **Monday 14 August to Friday 22 September 2023.**

For students seeking enrolment within the first enrolment period, the deadline for receipt of applications for out of zone places is **Friday 22 September 2023.**

If the number of out of zone applications exceeds the number of places available, students will be selected by ballot. If a ballot for out of zone places is required, it will be held on **Tuesday 17 October 2023**. Parents will be informed of the outcome of the ballot within three school days of the ballot being held.

Details relating to the second enrolment period are as follows:

- Length of enrolment period: from **Friday 20 October 2023 – Friday 17 November 2023**
- Deadline for receipt of applications: **Friday 17 November 2023**
- Date of ballot: **Wednesday 22 November 2023**

Details relating to the third enrolment period are as follows:

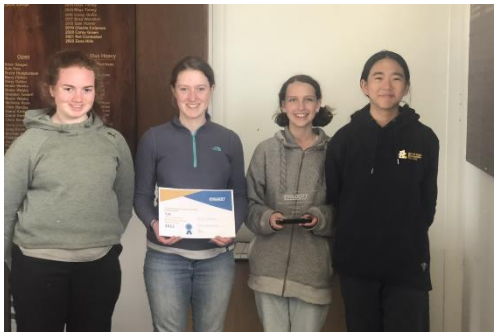
- Length of enrolment period: from **Friday 24 November 2023– Friday 19 January 2024**
- Deadline for receipt of applications: **Friday 19 January 2024**
- Date of ballot: **Wednesday 24 January 2024**

A final ballot will be held if required and if space available for any applications received by **Friday 23 February 2024.**

No out of zone enrolments for the 2024 school year will be accepted after this date.

STUDENT SUCCESSES

HUGE WIN AT EVOLOCITY REGIONAL FINALS



On Wednesday Bella Shaw and Siwan Lloyd-Jones travelled to Hamilton with their girls' engineering team SAGE, to take part in the Evolocity Waikato/ Bay of Plenty/ Rotorua regional finals. They were awarded first place for Engineering Design. Their electric go cart was designed, welded, fibreglassed, painted, wired and everything else in between by the SAGE team. Outstanding work and huge congratulations 😍🥰🤩

UMPIRE OF THE YEAR

Yr9 RLHS student, **Dylan Gribble** awarded Umpire of the Year at Rotorua Hockey prizegiving. Dylan's commitment and dedication for his age is outstanding. During the season he spent at least 15 hours every week at the turf, umpiring senior hockey on Mondays, high school games on Tuesdays, Wednesdays and Thursdays, intermediate games on Fridays and primary games on Saturdays. As well as umpiring, Dylan coached a Year 5/6 Otonga team and a Year 5/6 development team for their recent tournament. Dylan is often one of the first ones at the fields, watering the turf, setting up for juniors, and locking up the turf at the end of the night. During these holidays Dylan umpired at the U16 tournament in the North Shore and the Rotorua McGrath tournament following on from umpiring at AIMS in September. 🏑 😎

MARVELLOUS WINS AT THE MTB CHAMPS IN BLENHEIM

Congratulations to **Poppy Croucher**: first U17 Girls at the National School MTB Champs in Blenheim, in both the Enduro and the DH! Amazing work Poppy!

Also a huge congratulations to **Milla Phipps** who was 2nd in U20 Cross Country and Nicole Wallace - 3rd in U15 Cross Country.

We also had **Lyla Alton -** Enduro, **Daniel Cheeseman** - Enduro + DH and **Cooper Angus** - Enduro + DH representing our school and they all did so well! 😍 😍 😍

SOLVE FOR TOMORROW SUCCESS

Exciting news – our Year 9 student, **Cameron Moore** won the Solve for Tomorrow competition 2023. The Solve for Tomorrow competition is designed to build interest and proficiency in STEAM (Science, Technology, English, Arts, or Math), and challenges students to show how design thinking can be applied to help improve their communities. Huge congratulations to Cameron – what an achievement! 😍 😊 😊 😊

OUR NETBALL STARS

Congratulations to **Madyson-Manaia Martin (Year 13) & Mary Schuster (Year 12)** who have been identified for the Magic in the Making Netball Development Programme. This programme offers a small number of talented secondary school players the opportunity to develop their skills and abilities under the watchful eye of WAIBOP Magic Coaches as they will work alongside franchise players and staff to grow their netball craft. Both students have worked incredibly hard with their netball this year and continue to reap the rewards for their hard work and dedication. Well done to both students - we look forward to following their netball journey in years to come!
